THE STORY

This Pacherenc du Vic Bilh wine embodies the glory of Petit Courbu, the first great variety of white grape in the Southwest according to Alain Brumont. He wanted to make a 100% Petit Courbu cuvée that could enhance the huge potential of this unknown, but promising variety. Reflecting the colors and the scents of the artistic garden at Chateau Bouscassé, "Jardins" offers a range of exotic fruits and wild flower aromas, and other fragrances from Gascony.
