Cuvée des Capucines

AOC Côtes du Rhône rouge

ORGANIC WINE

Geographical location:

The vineyards are located in the commune of Sérignan at the foot of the Massif d'Uchaux, on the terraces along the Aigues river; a typically Provençal landscape surrounded by the classic Mediterranean brush known as 'garrigue' and evergreen oaks.

Geology:

Brown soils consisting of alluvial soils deposited at various levels during the Quaternary Period.

Grape variety: Grenache 90 % Syrah 10 %
Certified by Ecocert, the grapes are organically grown.

Average yield: 42 HL/HA

Vinification: Traditional, with the incorporation of time honoured changes in growing techniques and progress in wine-making. The Domaine remains loyal to Côtes du Rhône style vinification in stainless steel tanks, with the grapes being gently pressed in a pneumatic press. The wine is clarified naturally and filtering is light.

Aspect: A red and purple garnet colour, deep, lively and brilliant. Red berry aromas and flavours: raspberry and concentrated cassis, with an occasional trace of mint.

Serving suggestion: 18°

Béatrice et Jean Claude Bouche
