Cuvée de la Haie aux Grives

AOC Côtes du Rhône rouge

ORGANIC WINE

Geographical location:

The vineyards are located on the Plan de Dieu plateau in Camaret, at a place known as “Piécaud” which in provencal means “Hot Feet”. Aptly named as the plateau is drenched by the pervasive sun and swept by the winds of the Mistral.

Geology:

Red soils: limestone soils interlaced with composites of fine red earth made up of 15 to 20 % clay and containing a high proportion of rolled stones typical of Rhone Valley soils

Grape varieties: Grenache 80 %, Syrah 20 %
Certified by Ecocert, the grapes are organically grown

Average yield: 42 HL/HA

Vinification: Traditional, with the incorporation of time honoured changes in growing techniques and progress in wine-making. The Domaine remains loyal to Côtes du Rhône style vinification in stainless steel tanks, with the grapes being gently pressed in a pneumatic press. The wine is clarified naturally and filtering is light.

Aspect: A deep, dark red colour with lively, brilliant tints. Fruity, with cherry, musk and truffle flavours and hints of wild mint and thyme.

Béatrice et Jean Claude Bouche
