Cuvée Béatrice

AOC Côtes du Rhône Villages rouge

ORGANIC WINE

▪ **Geographical location:**

The vineyards are located in the commune of Sérignan at the foot of the Massif d'Uchaux, on the terraces along the Aigues river; a typically Provençal landscape surrounded by the classic Mediterranean brush known as 'garrigue' and evergreen oaks.

▪ **Soil and subsoil:**

Red soils on a slight slope, with a clay and sand texture, the Aigues terraces consist of alluvial deposits from the River Aigues, introduced at several levels during the Quaternary Period.

Grape variety: Syrah 100 %

Certified by Ecocert, the grapes are organically grown

Average yield: 38 HL/HA

▪ **Vinification:**

A conveyor belt is used to fill the stainless steel tanks as carefully as possible so as not to damage the grapes. The Domaine remains loyal to Côtes du Rhône Villages type vinification. 10 to 15 days in the tank, then clarified in concrete vats. Aged for 12 months in 3 year old oak barrels.

▪ **Appearance:**

A deep red, opaque colour with purple tints. Ripe fruit aromas and flavours, leather and toffee, with hints of spices and liquorice.

▪ **Serving suggestions:** recommended with refined dishes. Best served at 18°C.

Béatrice et Jean Claude Bouche
