More About This Producer

In the southern Rhone valley, between the rivers and the mountain foothills, the Cotes du Rhone vineyards create a beautiful landscape of terraced fields and sun-filled plains. Domaine du Vieux Chêne vineyards are spread out on a slightly sloped and very rocky plateau of the villages of Travaillan, Sérignan and Camaret.

Beatrice and Jean Claude Bouche are impassioned wine-makers. Together they manage their vineyards using organic farming methods, creating organic wines of great character.
