

An inviting nose of sweet coconut, tobacco and classic Cabernet Cassis is followed through on the palate, and enhanced by the vanilla oak flavours from the barrel maturation. The juicy red wine-gum flavours provide a lingering, lengthy finish. This full-bodied, wine with its soft tannins pairs well with meaty dishes, strong cheese, pasta dishes, grilled mushrooms and dark chocolate.

# Tormentoso

## PINOTAGE BUSH VINE

Ruby centre with a bright rim. This wine has typical Pinotage aromas of black cherries. On the palate ripe plum and smoky spice flavors from the oak maturation finished by a hint of vanilla. Soft, rich tannins and a long finish.

# Tormentoso CHENIN BLANC

OLD VINES • 2015

“Made from nearly forty-year-old, non-trellised bush vines, this Chenin Blanc has a distinct streak of minerality beneath its seductively forward fruit flavors. Soft on the palate, it has just enough acidity for harmony, and exhibits excellent length...it offers outstanding value.”
