Cuvée Friande

Vin de Pays de Vaucluse BLANC

ORGANIC WINE

Site:

The vineyards are located in the commune of Vieux Travaillan near the winery. The maintenance of a permanent grass cover increases the soil's organic matter and to promote microbial life.

Soil:

Brown chalky, alkaline clay soils with a sandy, silty, clay texture (10%) with few stones. Deep soils, not much organic matter, but excellent water retention.

Grapes:

Grenache Blanc 20 %, Viognier 20 %, Clairette 20 %, Roussanne 20 %, Chardonnay 10 %, Bourboulenc 10 %. Certified by Ecocert, the grapes are organically grown.

Average yield: 50 HL/HA

Vinification:

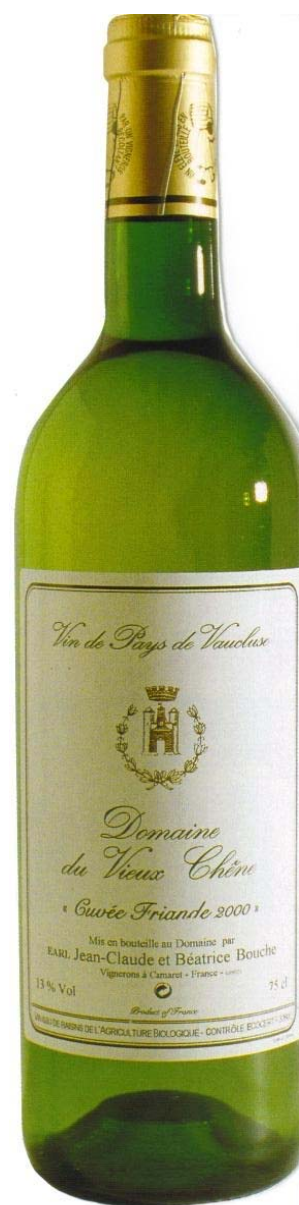

Direct pressing of harvested grapes with a pneumatic press. Temperature controlled fermentation in stainless steel tanks

Appearance:

Light yellow colour with green glints. Elegant nose and flavour of fruit with pale white flesh, repelte with pears, a long and persistent mouth with slight acid notes.

Serving temperature: between 10° and 12 °

Béatrice et Jean Claude Bouche
