**ORGANIC WINE**

\*\*\*\*\*

**Site:**

The vineyards are located in the commune of Vieux Travaillan near the winery. The maintenance of a permanent grass cover increases the soil's organic matter and to promote microbial life.

**Soil:**

Brown chalky, alkaline clay soils with a sandy, silty, clay texture (10%) with few stones. Deep soils, not much organic matter, but excellent water retention.

**Grapes:** Roussanne 50 %, Chardonnay 50 %

Certified by Ecocert, the grapes are organically grown.

**Average yield:** 50 HL/HA

**Vinification:**

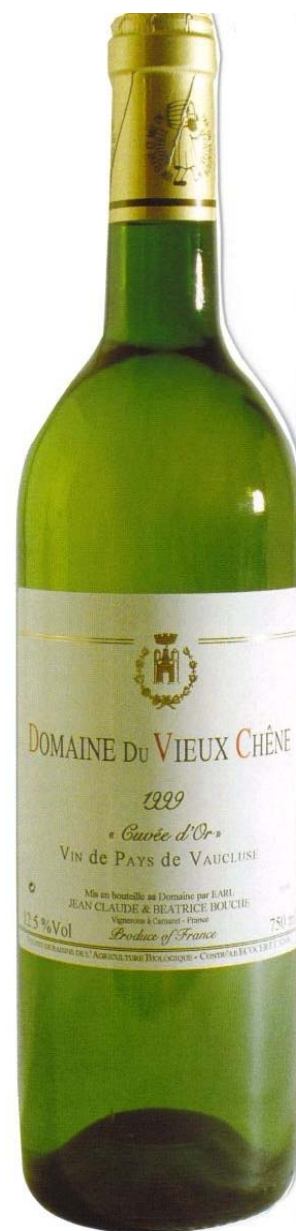

Direct pressing of harvested grapes with a pneumatic press. Must is drawn off prior to fermentation in temperature controlled stainless steel tanks (90%) and in one-year and two-year old oak barrels (10%).

**Appearance:**

Light yellow straw colour with green glints. Long on the mouth, elegant yet complex awash with vanilla overtones.

**Serving temperature:** between 10° and 12 °
