Cuvée de la Dame Vieille

Vin de Pays de Vaucluse ROUGE

ORGANIC WINE

Site:

The vines are located in the commune of Camaret at the entry to the winery. The Grenache of the cuvee la Dame Vieille are very old vines having been planted in 1922. The quality of the wine is enhanced through attentive nurturing of the old vines and the maintenance of a permanent grass cover to increase the soil's organic matter and to promote microbial life.

Soil:

Brown chalky, alkaline clay soils with a sandy, silty, clay texture (10%) with few stones. Deep soils, not much organic matter, but excellent water retention.

Grapes: 50% - 85 yr. old vine Grenache, 50 % Syrah
Certified by Ecocert, the grapes are organically grown.

Average yield: 45 HL/HA

Vinification: Vinification by the traditional method closely monitoring the fermentation temperatures. Pumping over with great care to preserve the fruit. Methodology and equipment employed are chosen to capture the natural savors of the organically grown grapes and must to a maximum.

Appearance: Dark red colour with violet reflections. Mature, ripe fruit and blackcurrants with vanilla notes on both the bouquet and the mouth.

Serving temperature: 18°

Béatrice et Jean Claude Bouche
