

Cabernet Sauvignon  
California  
2017

This Cabernet Sauvignon gets an “A+” for being true to form. Cabernet Sauvignon is a wonderful grape to work with. Cabernet Sauvignon is one of the few grapes that truly expresses the difference in the soils and vineyard locales. The Cab is dark and deep with its fruit expressions; dark cherries and lush plums dusted with hints of cocoa powder make this Cab stand tall. The pallet is balanced with firm acids and mild tannins. The finish is all of this wrapped up with layers of cedar and oak.

Enjoy this Cab with great BBQ ribs, the kind that actually flip over the Flintstone’s family car. Enjoy!

Alc. 14.3%

TA 5.40 g/l

pH 3.42

RS 0.13

Varietal: 94% Cabernet Sauvignon, 6% Merlot
