

Zinfandel  
California  
2015

Not all Zin's are created equal, this one is no exception. This Zin is of the Primitivo clone and is loaded with cloves, spice, tobacco and dense strawberries on the nose. When blending this Zin we were reminded of a Christmas mulling spice. Zin's are a true joy to make. Winemakers get a large leeway to express styles and attitude for the wine. Toschi Zin gains its character from the vineyard and boasts its personality from the winery.

This Zinfandel will complement all types of spicy pasta and BBQ. Try to find a red Pasta sauce that will not surrender to this Zin.
