

The Flower & The Bee

Treixadura

Product of Spain.

Made of 100% Treixadura from organically and biodynamically farmed vineyards. Deep yellow/gold color, this is a lovely full-flavored white wine. Powerful flavors of herbs, pears and white peach, with some apricot and spice notes. Real presence, but not at all heavy. Just lovely fruit intensity, and amazing freshness.

The Flower & The Bee

Souson

Product of Spain.

Fresh, vivid and bright with assertive cherry and raspberry fruit. Lovely purity and a spicy bite, with high acidity on the finish. Just a hint of apple, which makes it taste like it hasn't completed malolactic fermentation, but which makes it bracingly fresh.
