THE STORY

High in the hills of the Corbières, in a stunning corner of south west France, Château Trillol has been the Sichel family property since 1990. At 400m above sea level, the vineyard is located in two of the Corbières terroirs: Termenès and Quéribus.

TASTING NOTES

The intense color with deep purple highlights heralds in a wine with depth and complexity. Expressive, frank nose exuding aromas of red fruit, redcurrant, blackcurrant and a hint of oak. The front-of-palate is silky, evolving over the top of discreet but well-structured tannins. Great freshness, prolonging the aromatic expression.

RATINGS

Gold medal - Guide Gilbert et Gaillard; 2013 Bronze medal - Concours des Féminales - Beaune; 2013 Bronze medal - International Wine Challenge - 2014

VINEYARD

Currently, Trillol's vineyard covers two distinct terroirs. The first, the silica-rich, Terroir de Termenès is located high up in the hills. The second, Terroir de Quéribus, is in the middle of the valley that surrounds the village of Cucugnan.

VINIFICATION

The grapes are totally de-stemmed and then fermented for 6 to 8 days at 30 to 32°C. Maceration lasts for 30 to 40 days with daily pumping over. The vats are run off and the press wines separated from the free run juice. This is followed by the malolactic fermentation. The wine is aged for 12 months in French oak barrels (2 to 5 years old - new barrels are avoided) and racking takes place every 3 to 4 months. Trillol is lightly fined but not filtered before bottling.
