### VINEYARD

Soils of limestone and clay. Vines are 30 years in age.

### VINIFICATION

Harvesting and sorting is done by hand, immediate pressing and fermented in vats.

### THE STORY

Frédéric and François Alary have taken over the farm in 1984 and work 25 hectares on the Saint Martin hillsides including the oratoire, built in the middle of the vineyard, which gave its name to the estate.

The main part of the domain is situated to the north east of Cairanne 200 metres from the hills of Rasteau in a zone commonly called “la Montagne” in the LES DOUYES et SAINT MARTIN districts. They are steep-sloped and the steeper parts require the usage of a caterpillar. It is a very stony soil with yellow clay on the surface and blue clay deeper and a very high percentage of active limestone.

### TASTING NOTES

Pale green to the eye with aromas of white blossoms and acacia. Hints of pear and exotic fruits. Ideal with salads and grilled fish.
