

Rosso Conero "Aión"

Winery: Moroder

Region: Marche

Locale: Montacuto, Italy

Appellation: Rosso Conero

Designation: DOC

In a few words: Delicacy and finesse complete this wine.

Site: Grown organically in the winery's estate vineyards.

Grapes: 100% Montepulciano

Fermentation and Aging: Vinified entirely in stainless steel; one year finishing in bottle.

Notes: Fun fact: Aión is the Greek god of philosophical time (ever notice how slowly time passes when you are bored, and quickly it passes when you're doing what you love?) -- but "Aión" is also the reverse of "Noia", Italian for "boredom". So to drink Aión is the opposite of boredom!
