DPS-SH - NUTS L: N014

2008

**CHAMBOLLE-MUSIGNY**

*1<sup>er</sup> Cru Les Noirot*

APPELLATION CHAMBOLLE-MUSIGNY 1<sup>er</sup> CRU CONTRÔLÉE

**DOMAINE ANNE ET HERVÉ SIGAUT**

The SIGAUTs are unassuming but genuinely committed vigneron Anne is totally committed to her work and has a huge passion for their 7 hectares of vineyards ; Hervé is refreshingly logical in his approach to vineyard work : he pays attention to the lunar calendar for the key interventions while horses are used to plough in certain vineyards . The winery was revamped in 2004 with a sorting table and his stainless steel tanks are sunk in the floor of the winery which helps evacuate harmful carbon dioxide during fermentation . The fruit is entirely destalked and fermentation is determined by the vintage but care is always taken not to overextract .

He touches the wines as little as possible in the cellar and racks only once .1/3 New barrels from several coopers are used Bottling takes place 14 – 18 months after harvest.

These wines are thoroughbred examples of the magnificent terroirs of Chambolle and Morey

**Chambolle Musigny AC** : 10 different plots

Alluring nose of ripe wild strawberry ; well defined palate with good intensity and clean refreshing length

**Chambolle Musigny Derrière le Four** another plot of 80 year old vines

**Chambolle Musigny Les Bussières** single old vine plot on the northern side of the village close to Morey\_The wine boasts a stunning opulent black fruit bouquet with round mouth filling texture and velvet tannins

**Chambolle Musigny 1er Cru Noirot** : just under a hectare - 3 plots planted in 1996 1980 and 1960's lying under the midriff of Bonnes Mares damson/plum aroma with a hint of treacle ; expansive , velvety palate with almost salty attack and a lingering gamy finish

**Chambolle Musigny 1er Cru Les Fuées** : 3 plots at northern end of vineyard planted 1996 and 1977 abutting Bonnes Mares soil layer very thin so ploughed by horse

Refined bouquet of cherry/strawberry and whiff of clove ; palate is finely textured and precisely woven with vibrance ; coiled in its youth but gains grace and breeding as it ages elegant almost violet length

**Chambolle Musigny 1er Cru les Sentiers** Single 0.7 hectare plot below northern section of Bonnes Mares Planted 1947 meaty expression of Pinot Noir redolent of polished mahogany ; the palate is powerful and mouthfilling with a refined dense velvet texture with a swelling richness and savoury length

**Chambolle Musigny 1er Cru Les Châtelots** 5 plots over 50 years old (in 2007 ) floral / exotic disarmingly complex bouquet A plump , silky palate leads to a multi faceted "fruit gum " finish

**Morey St Denis 1<sup>er</sup> Cru Les Millandes** a single 0.34 hectare plot planted in 1989 and the 1950's and pruned on Cordon de Royat system Refreshing bouquet with hints of watermelon with blueberry in the background , The palate has great nervosity with a liquorice and leather finish
