

Chianti Docg 2017 BIO

We produce it from our vineyards in Poggibonsi located outside the borders of the Black Rooster historic Chianti area. It is a versatile, young wine, pleasant since its first months of age, with a light red-ruby colour, fresh flavour recalling aromas of red fruits like cherries and strawberries. It is a pleasant wine suiting all occasions.

This wine accompanies every food, from starters with cured meats, to pasta with ragout, up to main courses with meat and cheese.
