

# ART OF EARTH

## MONTEPULCIANO D'ABRUZZO DOC ICEA CERTIFIED ORGANIC

**Varietal** - 100% Montepulciano

**Region** - Italy, Abruzzo

**Soil** - Clay and limestone

### **History**

For centuries man has taken naturally grown grapes from rich Italian soils and created wines in natural ways handed down over generations.

### **Winemaking**

Today Art of Earth wines are still created in the same way from carefully selected organic grapes harvested in traditional ways and then turned into organic wines with centuries-old natural winemaking methods.

**Alc. Vol.** - 13%

### **Tasting Notes & Food Pairings**

Dark dusty violet color. Aromas and flavors of marinated blackberry leaf fountainpen ink herbs de Provence, and green peppercorn with a slightly chewy, crisp, fruity milkshake and pomegranate finish. A dry and savory Montepulciano for rustic Italian meals.
