

SHADY LANE™
CELLARS

Coop de Blanc 2016

Shady Lane Cellars™ vision is to produce exemplary, classic cool-climate wines on the Leelanau Peninsula. Our focus is to craft wines that show both elegance of structure and intensity of aroma and flavor. We are guided by the character of our vineyards and the fruit they produce. We're exploring with great intensity what our AVA offers for a unique flavor profile. We keep in mind that every wine is made up of a thousand details, all of which need to be governed by the philosophy of reaching toward and developing an expression of our AVA'S unique offerings and "place." We believe our vineyards, our climate, and our team – all of which is our "terroir" – makes Shady Lane Cellars™ that place to achieve this vision, a place that is greater than the sum of its parts.

Tech Data:

Varietal Content	60% Vignoles, 40% Riesling
Aging	No barrel aging
Alcohol	10.9%
Residual Sugar	5.0% (Semi-Sweet)
Brix at Harvest	24.5°
Residual Sugar	45g/L – 4.5%
Titrateable Acidity	9.4 g/L
pH	3.21

Adam Satchwell Winemaker Notes:

This is a fruity, sweet yet crisp version of one of our favorite grapes, Vignoles. Our house wine is great at barbecues, picnics or hanging out at home.
