

Pinot Noir

2016

Shady Lane Cellars™ vision is to produce exemplary, classic cool-climate wines on the Leelanau Peninsula. Our focus is to craft wines that show both elegance of structure and intensity of aroma and flavor. We are guided by the character of our vineyards and the fruit they produce. We're exploring with great intensity what our AVA offers for a unique flavor profile. We keep in mind that every wine is made up of a thousand details, all of which need to be governed by the philosophy of reaching toward and developing an expression of our AVA'S unique offerings and "place." We believe our vineyards, our climate, and our team – all of which is our "terroir" – makes Shady Lane Cellars™ that place to achieve this vision, a place that is greater than the sum of its parts.

Tech Data:

Varietal Content	100% Pinot Noir
Case Production	523
Aging	11 months in barrel; 100% French, 20% new
Alcohol	12.5%
Brix at Harvest	22.3°
Residual Sugar	2 g/L – 0.2%
Titratable Acidity	6.3 g/L
pH	3.81

Adam Satchwell Winemaker Notes:

This is our flagship red wine, modeled on the great red wines of the Cotes de Beaune of Burgundy. This wine has all the wonderfully exotic and ethereal qualities that cool climate Pinot Noir is known for. Lush and soft, it has both power and elegance at the same time. Cherries, cranberries, herbs and spice come out in wonderful micro-explosions of aroma and flavor, followed by a smokiness and wonderful earthiness in the finish from ageing in French oak. Try this wine with roasted Duck or Lamb, Beef Tenderloin, and anything with mushrooms.
