winemaker's notes

Fresh and lively, this wine envelops the nose with intense white peach character while still maintaining those classic citrus notes one expects from Sauvignon Blanc. A perfect balance of lush fruit and bright acidity, providing a rich, succulent mouthfeel.

A sprinkle of orange zest on the finish helps create a lingering sense of freshness, inviting you to take the next mouthwatering sip. This is the ideal selection for any warm weather occasion.

Enjoy by itself or pair with any seafood, chicken, or salad dish.
