NAPA VALLEY

Cabernet Sauvignon

**SAINT HELENA
NAPA VALLEY**

Winemakers Notes:

Gibbs Three Clones Cabernet Sauvignon is the result of a superb growing year in our own St. Helena vineyards and throughout the Napa Valley. A consistently high temperature growing season made for choice fruit dense in color and flavor.

Three Clones Cabernet Sauvignon owes its name to the Cabernet clones grown on the estate, 6, 15, and 337, that create the base of this delicious wine. Each clone adds unique character, complexity, and depth to the Cabernet.

On the nose there are aromas of ripe black cherries and dusty French oak with a textured mid-palate bursting with plum, stewed dark fruits, and notes of black pepper. Soft, sizable tannins make for a smooth and silky finish.
