Dusty Red

NAPA VALLEY

Winemakers Notes:

The 2018 Dusty Red Blend is comprised of Merlot, Cabernet Sauvignon, Cabernet Franc and Petit Verdot; a classic right-bank Bordeaux blend. Merlot accounts for nearly half of this blend, providing a velvety core of red and black fruits. Cabernet Sauvignon offers tannin, structure, and deeper dark fruits while Cabernet Franc brings blue fruits and herbal undertones.

Craig puts together this blend with the goal to create a wine that delivers a whole lot right out of the gate, but will also age beautifully for a number of years. Each varietal was fermented individually and blended prior to bottling.
